NOTE FOR THE DDA

Harry:

- ° Jim Taylor tells me that so much agonizing has gone into this that, even tho it is a lot of boilerplate, I should let it go.
- ° I do think you might want to consider the fact that the OGC recommendations have not been incorporated in the draft HN and letter; that the passage of time makes the A/DCI an inappropriate address; and that, perhaps, the NIESO/ICS certification should omit the ExDir routing (altho I don't feel one way or the other about that if AI doesn't).
